Create a Facebook page for a philosopher. Have fun but be accurate.

1. Put a picture of your philosopher.

Insert a text box for the following:

- 2. Philosopher's name
- 3. Where the philosopher spent most of his life
- 4. Whether he was single, divorced, or married
- 5. Philosopher's date of birth
- 6. Philosopher's hometown
- 7. Place a dot on all of the places that philosopher traveled over his life.

8. List two/three people that the historical figure would have been friends with on Facebook.

9. Make up two Facebook groups the historical figure would have joined.

10. List one school he attended and one place he worked.

11. Make up two wall posts the historical figure would have made. Like a slogan of his beliefs.
